Summary of reasons for decision:

The image file is a CGI illustration of a man involving a young girl in a sexual act. The illustrated format does not render the publication harmless. It facilitates the deliberate sexualisation of children or young people for the purposes of adult entertainment and titillation and is likely to be appealing to those with such an interest. It therefore promotes and supports the exploitation of children or young people for sexual purposes and is deemed objectionable under s3(2)(a) of the Films, Videos, and Publications Classification Act 1993 (FVPC Act). This classification interferes with the right to freedom of expression as provided by the New Zealand Bill of Rights Act 1990 but is consistent with Parliament's intention that publications falling under s3(2) of the FVPC Act are deemed to be objectionable.
